

February 21, 1975

SPEAKER: Senator Maresh. Senator Barnett, for what purpose do you arise?

SENATOR BARNETT: Mr. President, members of the Legislature, what do we have 4 or 5 . . . how many bills do we have for introduction? That are requested from the committees and so forth?

CLERK: Ten or eleven.

SENATOR BARNETT: Ten or eleven. Instead of taking them all one at a time, I'm going to propose that we eliminate the individual things and take them all at once. I'd like to move that we accept all the bills for introduction and referral to the Reference Committee.

SPEAKER: Chair recognizes Senator Clark.

SENATOR CLARK: Are you saying that we introduce all bills and put them in the Reference Committee? I would certainly object to that. I think we ought to take them up one at a time. I think that would be awful to take 11 bills and put them in here at one time.

SENATOR BARNETT: Do you really?

SENATOR CLARK: Why certainly.

SENATOR BARNETT: Well then vote against my motion.

SENATOR CLARK: I will.

SPEAKER: Senator Bereuter.

SENATOR BEREUTER: Mr. Speaker, colleagues, I have questions regarding one of the bills to be introduced. It has to do with the Banking Committee's bill which would rename the Department of Banking. I'd not like to see it grouped in.

SPEAKER: Any further discussion?

CLERK: Question is, Mr. President, to suspend the rules and introduce the attached 11 bills. Signed, Senator Barnett.

SPEAKER: You have heard the motion. If there is no further discussion, we will have a machine vote. It will take 30 votes for Senator Barnett's motion. Have you all voted? Clerk will record.

CLERK: 6 ayes, 22 nays, 21 not voting.

SPEAKER: Would you proceed with the bills Mr. Clerk.

CLERK: Maresh's motion. I move the introduction of the attached bill, request 727, dealing with the disallowance against certain claims against the state. Signed, Senator Maresh.
